1. Are deeply committed to a consistent daily walk with Jesus Christ.
2. Spend time daily in personal devotions and prayer.
3. Show in your life the joy of knowing Christ.
4. Possess the ability to work gracefully with parents, students, and other school staff to develop a unified and successful education program.
5. Demonstrate the ability to accept and carry out responsibilities and make competent, professional decisions.
6. Are willing to participate and incorporate professional development.
7. Are committed to partnering with families to ensure a successful, God-honoring educational experience for their children.

Professional Qualifications

1. B.A. in education from an accredited college or university.
2. Current Washington State teaching certificate.
3. Knowledge of computer technology and relevant academic subject matter.
4. Experience in multi-age education preferred.
5. Preferred: strength in teaching math and science

Position Expectations

1. Teach subjects including Bible, Language Arts, Science, Math, History and various co-curricular subjects (excluding music and PE)
2. Actively participate with faculty and staff.
3. Provide creativity and flexibility while working with the 5th/6th grade teaching team.
4. Wisely use funds for purchases of curriculum and supplies.
5. Passionately desire for students to appreciate and find joy in academics.
6. Establish and maintain standards of student behavior to provide an orderly, productive environment during instructional time.
7. Identify student needs and cooperate with other staff members in assessing and helping students solve social and learning problems.
8. Control the storage and use of school-owned property.
9. Create and maintain a comfortable, organized and productive learning environment.
