2020-21 BCS Kindergarten Supply List

As part of our disaster/emergency preparedness plan, the school has provided teachers and staff with items necessary to serve the general school community in the event of an emergency. In addition, we require each student to have a “Student Comfort Kit.” This kit would sustain your child(ren) until larger emergency stores of food and water could be distributed or until you could pick up your child. Kits must be brought to school with school supplies. Instructions for assembling your own kit can be found below.
